SlimType Keyboard - Mac

Complement Apple® style with a sleek, slim keyboard.

Product Number	**K64366**
Sugg. Street Price	**$39.99**

A stylish Apple® computer deserves an equally stylish keyboard. The Kensington SlimType Keyboard for Apple Computers takes its inspiration from Apple´s distinctive sleek lines and contemporary design. That low-profile form is then packed with performance and convenience functions. Low-travel, scissor-switch technology delivers a crisp, responsive touch for faster typing. And multimedia hot keys provide intuitive, one-button control of audio and video playback.
